

VALVE/CARTRIDGE CHANGE GUIDE

This valve/cartridge installation guide is for single lever style kitchen taps made by the following brands. For a full list of tap models, please see overleaf. **Abode | Franke | Howden's | Carron Phoenix | Clifford Morris | John Lewis | Rangemaster | San Marco | Reginox | Cuple.**

IMPORTANT! **BEFORE YOU BEGIN**

Replacing the valve/cartridge of the above taps is a straightforward procedure. However, should you have any doubt about your ability to tackle the task, you should engage a suitably qualified professional.

You can also gain hints and tips about replacing a valve by watching our installation movies at www.tapsparesuk.com.

ESSENTIAL TOOLS

- 27mm ring spanner or suitable adjustable spanner
- 2mm Allen Key

VALVE/CARTRIDGE CHANGE PROCEDURE

1. Turn off the water supply to the tap.
2. Use the 2mm Allen key (A) to remove the grub screw (B) from the handle (C).
3. Remove the handle (C) from the body of the tap by pulling it firmly away from the tap body.
4. Pull off the cover (D).
5. Use the spanner to remove the retaining nut (E). If this proves difficult, a sharp tap with a hammer on the handle of the spanner will normally do the trick.
6. Remove the cartridge (G), then unscrew and remove the threaded plug (F), from the end of the cartridge spindle.
7. Take the new cartridge and screw the threaded plug (F) in the end of the spindle.
8. Position the new cartridge in the tap body, making sure the 2 pins on the cartridge base are located in the corresponding holes in the tap body.
9. Screw the retaining nut (E) in place and tighten it firmly to secure the new cartridge.
10. Refit the cover (D).
11. Reposition the handle (C) and secure it by firmly tightening the grub screw (B).
12. Turn the water supply back on and check for leaks.

VALVE/CARTRIDGE CHANGE GUIDE

This valve/cartridge installation guide is for single lever style kitchen taps made by the following brands. **Abode | Franke
Howden's | Carron Phoenix | Clifford Morris | John Lewis | Rangemaster | San Marco | Reginox | Caple.**
